

## Unit 8

## Vocabulary practice

### 1 Look at this picture of four neighbors. Match two adjectives to profiles A–D.

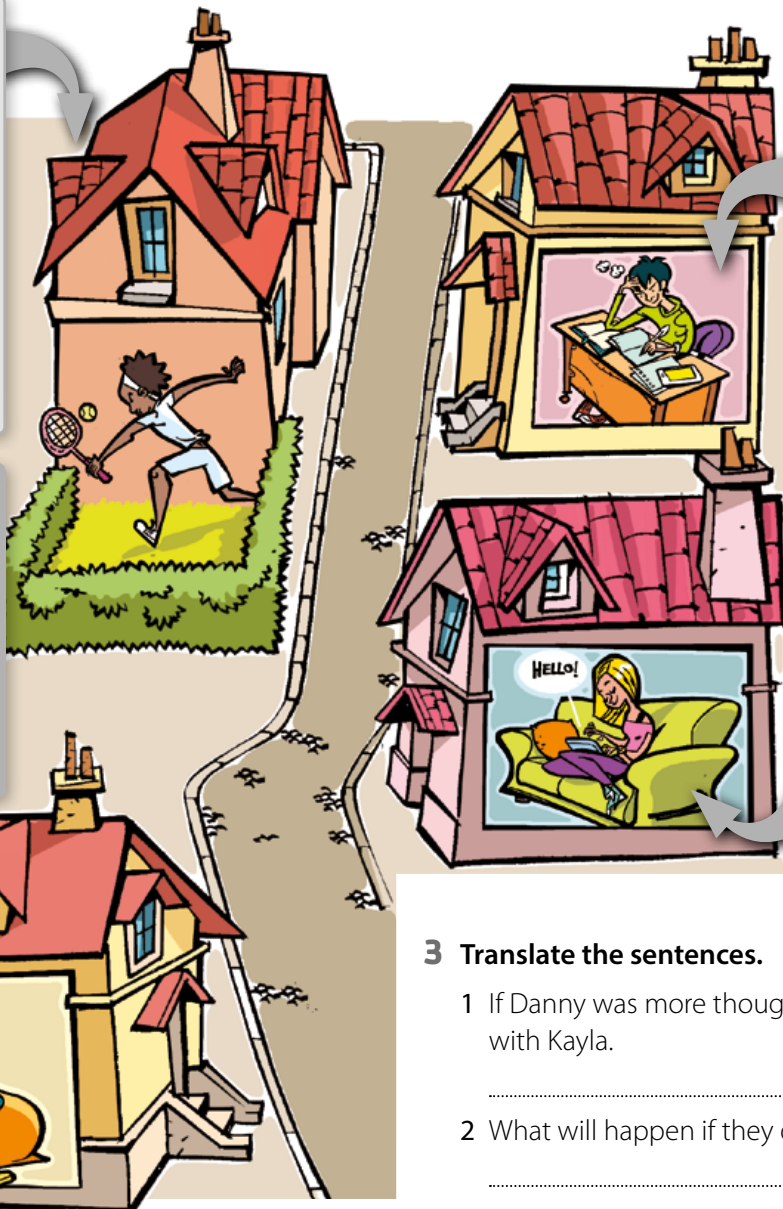

competitive generous jealous proud sensible sensitive stubborn talkative

**A** Amy likes playing tennis and loves winning — she hates losing! Danny beat her in a recent competition and she was really annoyed. She wanted to be the winner! She always wants what other people have! They aren't talking now because Danny thinks she's selfish.

**B** Danny doesn't ever accept or listen to other people's opinions. He thinks he is always right and doesn't ever admit he's wrong! Kayla thinks Danny is very insensitive, and they always argue.

**C** Nick is very well-behaved and always does the right thing. He does his homework at the right time and he always helps Kayla when she can't do her homework. He's happy to lend her his books and notes all the time. Kayla thinks Nick is very inspiring. Everything is easy for him!

**D** Kayla is very sociable and loves chatting to friends all the time. People who meet Kayla always say she's very friendly. Amy loves talking to her when she has any problems. Kayla is a good listener and always cares about other people's feelings.
